PROFESSIONAL EXPERIENCE

Sr. Executive – DTP&Layout

MPS Limited, Noida

Nov 2024 – Present

- Typeset K-12 school textbooks from manuscript to print-ready PDF, formatting 100+ page books per project within tight editorial timelines.
- Maintained pixel-level accuracy across text, tables, and images using pre-designed InDesign templates, reducing QC-flagged errors by applying structured pre-flight checks before every client review submission.
- Generated low-resolution PDFs for internal QC and client review; implemented all feedback rounds and delivered final high-res print-ready PDFs, managing 3–4 simultaneous book projects across sprint cycles.
- Collaborated with editors and design teams to resolve font, style, and layout discrepancies; maintained version control across multiple review cycles to ensure zero-error final delivery.
- After everything is finalized, we prepare EPUB and send them to the digital team.

DTP Designer

DK India Pvt. Ltd., Noida

Jun 2018 – Aug 2024

- Delivered 50+ book projects across Knowledge, Children's, Travel, and learning divisions over 6 years, covering typesetting, pagination, and pre-press production from first pass to print-ready file.
- Executed comprehensive technical checks (CTS) across entire book files — verifying image resolution, text alignment, font integrity, and missing links — ensuring zero low-res images reached the printer.
- Reissued legacy books through full repagination, font migration, and style-sheet updates, maintaining DK's visual brand standards across international publishing deliverables.
- Edited hi-res images including cutouts, retouching, and Photoshop pathing for 4 specialist editorial departments, reducing reliance on external retouching vendors.
- Handled pre-production handoff tasks, performing final preflight checks before file dispatch to print partners, contributing to zero print-error returns during tenure.

Graphic Designer&Image Editor

Potion Infosystems Pvt. Ltd., Noida

Mar 2013 – May 2018

- Retouched and colour-corrected 500+ high-resolution product and fashion images monthly for digital media clients, ensuring consistency with brand colour specs and client style guides.

- Performed background removal, path creation, and creative adjustments across e-commerce, fashion, and lifestyle product categories, maintaining a library of 10,000+ processed assets.
- Developed and maintained a comprehensive image library, cutting retrieval time and enabling reuse across client campaigns.

Junior Graphic Designer

Brijbasi Art Press Ltd. (Hello Friend Publication), Noida

Apr 2011 – Feb 2013

- Designed cover pages and managed full page layout for catalogues, colouring books, activity books, puzzle books, and story books — building core DTP and print production skills from ground up.
- Handled image tracing and layout across children's publishing deliverables, developing accuracy and speed benchmarks maintained throughout career.
